Chesapeake PETS 2016-2017 Districts 7600-7610-7620-7630

Outstanding Rotary International Speakers

Congratulations on being selected to lead your club during the 2016-2017 Rotary year. Serving as your club's President is both a privilege and a responsibility, but you will not be alone. We, your district leaders, are here to serve you and help make your year the very best in your club's history.

At the Chesapeake Presidents-Elect Training Seminar (PETS), we are dedicated to giving you a jump-start on your year as club President. You will have a chance to learn about many important Rotary topics, with a focus on strengthening your club, increasing its humanitarian service and enhancing its public image. The seminar also is an opportunity for you to build strong working relationships with your fellow PEs, Assistant Governors and other Rotary leaders.

In addition, you will hear and share with outstanding Rotary leaders, including Rotary International President-Elect John Germ. Other RI leaders on the agenda are Past RI Director John Smarge and RI Director-Elect Joe Mulkerrin. They will speak about three vitally important topics for incoming club Presidents: Public Image, Service and Strengthening Your Clubs.
