Presidents-Elect
at C-PETS

Congratulations on being chosen as President of your Rotary club for the coming year! The office is both a privilege and a responsibility, and Chesapeake PETS will give you tools to make a special year for both you and your club.

At Chesapeake PETS, more than 200 Presidents-Elect of Rotary Clubs in four districts meet for a learning and networking experience that is designed to strengthen their knowledge of Rotary and help them become outstanding leaders in their clubs.

Our training team has polished and enhanced the curriculum for PEs. Sessions are also included for Assistant Governors and District Governors-Elect and Nominees. The popular President-Nominee Leadership Academy is by invitation only.

Each year, optional enrichment sessions are offered on the Thursday afternoon prior to the beginning of C-PETS. With separate registration, these afternoon sessions provide valuable information not presented during the C-PETS sessions.

Presidents-Elect – as well as many Presidents-Nominees – of 33K+ Rotary clubs in 220 countries will be attending PETS prior to their leadership year. The basic curriculum is outlined by Rotary International so that knowledge of the organization is consistent throughout the world. C-PETS has built on that foundation to provide an outstanding networking and leadership development experience.

We hope you both enjoy and learn at Chesapeake PETS.

Chesapeake PETS 2019
