Chesapeake PETS 2019

Rotary Districts 7600, 7610, 7620, 7630

Congratulations on being chosen to be President of your Rotary club for the coming year! The office is both a privilege and a responsibility. Chesapeake PETS will give you tools to make a special year for both you and your club.

At C-PETS, more than 200 Presidents-Elect of Rotary Clubs in four districts meet for a learning and networking experience that is designed to strengthen your knowledge of Rotary and help you to become outstanding club leaders.

Our training team has enhanced the curriculum for PEs. Sessions are also conducted for Assistant Governors and District Governors-Elect and Nominees. The popular President-Nominee Leadership Academy is by invitation only.

On Thursday afternoon, a new **Mega Membership Seminar** will feature our Regional Rotary Coordinator PDG Chris Jones and RI Membership Officer Rebecca Holloway. These membership gurus will provide new and innovative strategies to grow and strengthen your club. The plan is to open this event to additional Rotarians, not just not just PEs (check website for details).

This winter, Presidents-Elect – as well as many Presidents-Nominees – of more than 33K Rotary clubs in 220 countries will attend PETS for their District. The basic curriculum is outlined by Rotary International so that knowledge is consistent throughout the world. C-PETS has built on that foundation to provide an outstanding networking and leadership development experience.

We hope you both enjoy and learn this year at Chesapeake PETS.
