Dear Presidents-Elect:

Welcome to Chesapeake PETS 2018!

Congratulations on being selected to lead your club for the 2018-2019 Rotary year!

Between now and when you officially take office on July 1, 2018, you will participate in training set forth by Rotary International in addition to working with your incoming Board. Most likely, you started that six months of planning with Pre-PETS in your District. Now you will spend two days with more than 220 other Presidents-Elect from Districts 7600, 7610, 7620 and 7630. This concentrated training seminar features top Rotary speakers and facilitators and provides an opportunity to learn from them and from your peers.

The C-PETS curriculum starts with an introduction to your important role in your club. There will be focus on Membership, ways to strengthen your club and how to increase its public image and humanitarian service. You'll also explore Fundraising, Reflecting Rotary Values and Service Projects. The days will include general sessions with PEs from all four districts as well as meetings with your District officers.

Optional enrichment classes will be offered on Thursday afternoon, and the second Presidents-Nominee Leadership Academy will be held all day on Saturday.

As incoming Governors, we are honored to serve with you. We look forward to being with you at C-PETS and pledge to make this a helpful and satisfying opportunity.
