Presidents-Elect
at C-PETS

Congratulations on being chosen to be President of your Rotary club for the coming year! The office is both a privilege and a responsibility. The Chesapeake Presidents-Elect Training Seminar (C-PETS) will give you tools to make a special year for both you and your club.

More than 200 Presidents-Elect of Rotary Clubs in four districts convene at C-PETS for a learning and networking experience that is designed to strengthen your knowledge of Rotary and to help you to become outstanding club leaders.

Our training team has enhanced the curriculum for PEs. Sessions are also conducted for Assistant Governors and District Governors-Elect and Nominees. The President-Nominee Leadership Academy is by special invitation.

On Thursday, a new **Mega Membership Seminar** will feature our Regional Rotary Co-ordinator PDG Chris Jones and RI Membership Officer Rebecca Holloway. These membership gurus will provide you with new and innovative strategies to grow and strengthen your club. * Note: Presidents-Elect have priority for registration through 1/31/19, when other Rotarians will be invited to attend.

Every March, Presidents-Elect and future leaders of more than 33K Rotary clubs in 220 countries attend a PETS. The curriculum is outlined by Rotary International so that knowledge is consistent throughout the world. C-PETS has built on that for an outstanding leadership development experience.

We hope you both enjoy and learn this year at Chesapeake PETS.
